

Welcome

Welcome to the Homepage of the Sophien-Klinik GmbH. We would like to take this opportunity to inform you about our wide range of activities and services as well as about the existing medical facilities, latest developments, and upcoming events in our hospital.

It goes without saying for us that we do treat and care for our patients in accordance with the latest status of medical knowledge and always aim at providing exhaustive information with regard to the multitude of treatment procedures and medical technologies used.

More than 65 years of practical experience in medical care and healing, a modern medical service company on behalf of your health with 2 hospital sites, outpatient surgery and nursing home and residency as well as physiotherapeutic centre combined with the medical expertise of our more than 70 visiting consultants - all this stands for the Sophien-Klinik Hannover.
